

Hands-On DUTCH OVEN "301" Cooking Class

SATURDAY, MARCH 17

**Begins at 10:00 AM at Grant County
Administration Bldg ~ Hwy 180 in Silver City**

This class is a bit different than previous years — you'll do the cooking and learn to get comfortable with techniques, tips, and guidance.

Experienced Dutch Oven Cook and Wilderness Outfitter **Leah Jones** (and friends!) will again host "Dutch Oven 301" — a Dutch Oven Cooking Class on **March 17** at the Grant County Administration building in Silver City.

A Dutch Oven cook "extraordinaire," Leah will be the chief Chef, assisted by friends including Mickey and Rawlings Lemon, Judy and John O'Loughlin, and other talented "black-pot" cooks!

Leah and friends will be cooking, too . . . so that everyone gets plenty of individual helpings!

We'll provide the fires and the expertise (and dishes by our guest chefs) — YOU bring your Dutch Oven, the recipe and ingredients for the dish you want to cook.

**Come get inspired by this ages-old
(and delicious!) method of cooking!**

For "Dutch Oven 301," participants are asked to register and bring **\$15.00 per person** to help with the costs of the class.
